

Variation to our Terms

Following a change in regulation, we will no longer notify you if the value of your Discretionary Investment Portfolio or other investments fall by 10% or further increments of 10%. This means our Barclays Bank Terms should be read as if all references to such 10% notifications from Part 1 (All Investment Services) and Part 2 (Our Discretionary Investment Management Services) of the terms have been removed. The Barclays Bank Terms themselves will be updated in due course.
